

Do you have an innovative idea?

Sign up for AmSIA 2025!

Amsterdam Science & Innovation Award

The competition for impactful ideas and innovations from all research disciplines! Submit your idea and have a chance to win **€10,000!**

Amsterdam Science & Innovation Award 2025

AmSIA offers the perfect opportunity to kickstart your idea towards an impactful innovation, service and/or new product!

For whom?

The AmSIA is open to researchers, students, and staff from the Amsterdam knowledge institutes.

Why participate?

- › Develop your idea into a concrete proposition;
- › Receive professional feedback;
- › Access to PR opportunities to promote your idea;
- › All pre-finalists get a professional pitch video;
- › Expand your network to connect with potential partners and obtain funding;
- › Get a chance to win **€10,000!**

How do I sign up?

Go to amsia.nl and download the application form.

Deadline: 9 February 2025 | 23:59

"Winning the AmSIA greatly contributed to our work. The prize has helped attract more funding and support but more importantly it also stressed the importance of what we're doing"

Nathalie de Vent

UvA, Department of Psychology and Director of ANDI
Winner Innovation Award 2017
